Planning Board Site Plan Application Form

TO: Applicants

FROM: Epping Planning Board

SUBJECT: Guidelines for Processing Applications

The Epping Planning Board wants to process applications as speedily as possible. We understand that the Zoning Ordinance and our Regulations are complex and often confusing. These requirements are designed to deal with different situations from single-issue waivers and permits to large-scale residential developments and commercial site plans. Therefore, not all requirements may be applicable to your application.

Although it is not required, it is recommended that before you file your application if you have any questions or concerns, you should discuss your proposal informally with the Town Planner. The Planner will review your project conformance with the Town's Ordinances and Regulations and can advise you on procedures for obtaining approval as well as other governmental permits that may be required. Call (603) 679-1202, ext. 33 or 34, for an appointment or email: planner@townofepping.com. Town of Epping Regulations and Ordinances are available at the Planning Office or online at townofepping.com.

The key to receiving a prompt decision is to have all the necessary information in the Planning Department before the Planning Board meeting. All applications **MUST** be submitted to the Planning's office **TWENTY-ONE (21) DAYS** Prior to the Planning Board meeting at which it will formally be reviewed. In order to be scheduled, your application must be substantially complete.
