**MEETING WITH SCHOOL BOARD**

The Board of Selectmen met with the Epping School Board at 7:00 PM as part of the School Board agenda. This meeting had been called to order by the School Board Chairman Deborah Brooks. The purpose of the meeting was to discuss areas in which both the Town and School could collaborate their efforts when purchasing for both entities. A variety of ideas were brought up for discussion. Bonnie Sandstrom (School District Business Manager) and Lisa Fogg (Town Finance Director) have discussed like areas where the Town and School District could maximize their purchasing power. Areas highlighted:

- Fuel Oil
- Propane
- Copier Paper
- Paving
- Office Supplies
- Dumpsters
- Computer Sales/Service
- Porta-Potties
- Pest Control

Both Boards agreed that the biggest savings may come with purchasing of fuel oil and propane. All agreed that initial discussions look promising and all look forward to achieving the goal of

saving the Town, School District and Taxpayers money. Bonnie Sandstrom, Lisa Fogg and Gregory Dodge will work towards this goal as further discussions continue.

This is the second meeting with the School Board and at the first meeting both Boards agreed that quarterly meetings would be the best.

**NEXT MEETING**

Both Boards will meet again on April 19, 2021.

At 7:45 PM the Board of Selectmen finished their business with the School Board and left the meeting to convene their own meeting to consider a few business items.

Respectfully Submitted.
