## **WATER & SEWER COMMISSION MEETING MINUTES May 24, 2023**

### **Attendance:**

Chairman Tom Dwyer, Commissioner Marc Nickerson, Commissioner Scott Pim  
W&S Administrator Dennis Koch

### **1. Call to Order:**

Chairman Dwyer called the meeting to order at 7:00 PM in the Epping WWTF

The Pledge of Allegiance to the Flag followed.

**2. Appointments: Dave Mercier & Steve Smith** of Underwood Engineers gave an update. Cleaning of the membranes is completed.

A discussion regarding Synagro and the sludge removal project followed. They are looking for an increase in the contract price because the disposal has changed.

DM will try to get another price for the work, but all believe we may be better off staying with Synagro to finish the project. We could agree to higher disposal costs but push back on any labor increase. We also need a completion date. Liquidated damages need to be higher if an amendment is agreed upon.

**4. Administrator's Report:** Dennis Koch discussed a proposed Prompto Lube coming to town. Only sanitary waste is allowed to be connected to sewer.

Purchasing the storage trailer at the WWTF was discussed. DK will look into pricing.

Anthony Shea asked about getting some ramps into buildings paved when the Highway Department is paving next. DK will look into it.

### **5. Operator's Report:**

### **6. Commissioner's Reports:**

**Chairman Dwyer:** None.

**Commissioner Nickerson:** None.

**Commissioner Pim:** None.

**Motion to adjourn made by Commissioner Nickerson.
