Workshop with Dave Mercier and Steve Smith of Underwood Engineers:

1. MtBE watermain extension bids have been received. Town needs to approve N. Granese & Sons. Construction should start on 4/1/23. Chairman of the BOS will sign the award letter also.

2. Hoar Pond Wells feasibility study is complete. Least expensive option is around \$486K, where is the money going to come from? We have 4 more years to restart the wells. The project will take 18-24 months to complete.
